Spring Sing '89

Greetings to all Spring Sing guests!

We consider it a great honor to have you on our campus and we hope that you will enjoy this 16th annual Spring Sing show.

Our students, in addition to handling their regular course loads, have produced this revue for your enjoyment. They have had fun in getting it ready; we hope you will find great pleasure in viewing it.

We invite you to return to the campus soon. We're here to serve you and we will do our best to help you catch the spirit of Harding as we seek to Integrate Faith, Learning and Living in all we do.

David B. Burks
President

From a comparatively small beginning in 1974 as an entertainment medium for Youth Forum attendants, Harding University's Spring Sing has catapulted to a full scale extravaganza. The show continues to be an extension of the Youth Forum, and also grows in popularity each year, attracting many other visitors from across the nation. Last year's audience numbered between 11,000 and 12,000.

The collective creativity and imagination shown in the clever presentations by the participating social clubs has proved to be a refreshing endorsement of the students at Harding University. Their hours and hours of rehearsals, costume designing and otherwise hard work that have gone into this production were meant for your enjoyment.

So relax and enjoy it.
